

Description:

Commander Survival Kit: Timeos (short CSK: Timeos) is an Sim Mod for the Game: Supreme Commander Forged Alliance. It is a official Standalone Addon for the Sim Mod: Commander Survival Kit (short CSK)
It adds these following Features:

Tech Level Unlock Mechanic:

The Player and the AI will start the Match with the access to Tech 1 only first. The other following Tech Levels such as Tech 2, Tech 3 and Experimental will be unlocked after their own specific Wait Times have expired. Each unlock Wait Time can be directly set in the Lobby by the Player directly.

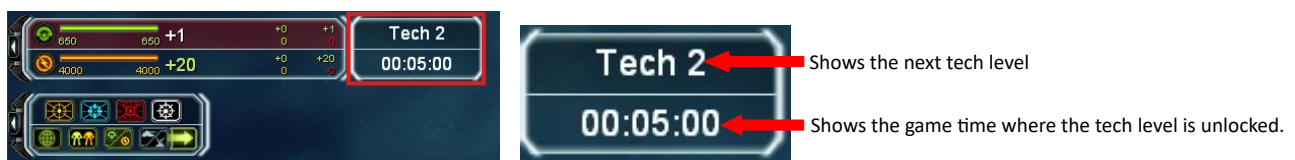

6 new Lobby Options:

The Player is able to set the Unlock Wait Times for the 3 regular Tech Levels of the Game: Tech 2, Tech 3 and Experimental and the 3 new ones Elite, Hero and Titan which are included in CSK Units only with these new Lobby Options:
You can set a Wait Time from 5 Minutes to 2 Hours

Tech Level Unlock Panel:

To see which tech level will be unlocked next and when it will be available, this panel shows it:

Campaign Options Manager / CSK: Timeos - Options Window:

Commander Survival Kit Timeos comes with its own Campaign Options Manager, where the Player can set the 6 Lobby Options in the beginning of each Campaign Mission in the Steam/DVD Version of the Game.

However the appearance of Manager can be different depends on which CSK Mod you have activate:

Appearance (Regular):

CSK-Units – Appearance:

CSK – Appearance as CSK: Timeos Options Window:

Can be opened with the CSK: Timeos Button
